OUR MISSION

Our commitment to you: In Support of the war fighter, CQT Weapon Systems provides exclusive and unsurpassed manufacturing and product development by utilizing our knowledge and expertise in all aspects of government operations worldwide. Our levels of expertise include and are not limited to, advance research and development, rapid prototyping and custom product creation by utilizing the latest in advanced engineering and manufacturing technologies. We take pride in making sure our materials are sourced from the U.S.A.. CQT Weapon Systems values the possibility to assist with your next project and we look forward to the opportunity to gain your business. For manufacturing or product development please reach out to one of our specialists for assistance in putting together custom-tailored weaponry and related items that fulfill your needs.

CQT Weapon Systems offers a full line of combat rifles that will fit your specific needs.

CQT WEAPON SYSTEMS

SNK

SERIES

The CQT Weapon Systems Difference

CQT Weapon Systems uses the latest in engineering technology and materials to manufacture weapon systems that far exceed all military specifications. All materials are sourced from the U.S.A.

The SNK Series utilizes CQT Weapon Systems drop in trigger assembly that allows for superior reliability and maintenance. Upper and Lower receivers are machined from billet 7075 aluminum, far exceeding military specifications. The choice of Type 3 Anodizing or Cerakote® finish gives the SNK Series the options of a multitude of colors that will last through the toughest of conditions and operations.

COTWS SNK 9 PCC

SNK 9 PCC

Caliber: *9mm*

Operation: *Semi Auto*

Weight: *5.61 lbs.*

Barrel Length: *16"*

SNK9 SERIES OF PISTOL CALIBER RIFLES/PISTOLS

RECEIVER:

- Finish type - Cerakote®.
- Upper Receiver A3 Flattop Billet 7075 T-6, Built to exceed Mil Spec Dimensions and Tolerances.
- Bolt Carrier Shot Peened, Magnetic Particle Inspected. Mil Spec 8620 Carrier, 9310 Steel Bolt.
- Lower Receiver Billet 7075 T-6 aluminum built to exceed M4 Mil Spec Dimensions and Tolerances.
- Uses Glock Style Magazines.

HANDGUARD:

- CQT Aluminum M-Lok Rail.
- Defiance Steel Flip Up Front and Rear Sights.
- Hexmag Advanced Tactical Grip(ATG).

BARREL:

- 4150V Chrome Moly M4 Contour, Free Float, Nitride coated.
- Barrel Twist Rate 1:10
- Available Barrels Lengths: 16", 10.5", 9" and 6".
- CQTWS Muzzle Device.

MAGAZINE:

- 1 Glock Style Magazine.

STOCK:

- 6 Position Mission First Minimalist Polymer Stock On Rifles Only.

Made in the U.S.A.

SNK56-SNK30-SBR

SNK56/SNK30 & SBR

Caliber: 5.56 NATO, 300 Blackout

Operation: Semi Auto

Weight: 6.9 lbs.

Barrel Length: 16"

SBR Weight: 5.61 lbs.

SBR Barrel Length: 10.5"

CQTWS MUZZLE DEVICES

CQTWS MUZZLE DEVICES

Machined from 4140
Rated from 9mm-.30 Cal.
Available In:
5/8-24 Thread
1/2-28 Thread
Interchangeable Inserts

CQTWS MUZZLE DEVICES

CABALISTIC

*9mm, 5.56, 300 Blackout & 7.62 Calibers
1/2-28 Thread & 5/8-24 Thread*

ARCANE

*9mm, 5.56, 300 Blackout & 7.62 Calibers
1/2-28 Thread & 5/8-24 Thread*

HUGGER MUGGER

*9mm, 5.56, 300 Blackout & 7.62 Calibers
1/2-28 Thread & 5/8-24 Thread*

CQT Weapon Systems muzzle devices are manufactured out of 4140. Our line of muzzle devices are designed to reduce muzzle blast and rise. The two piece design allows the ability to interchange inserts. Each insert is designed to provide a unique shooting experience. The KM insert is a true disruption design. While the GD insert is meant for a very smooth linear dispersing of gases. Each insert reduces or eliminates the blow back and pressure felt on the shooter while keeping the gun level. Three unique designs are available in 1/2-28 and 5/8-24 threads, Cabalistic, Arcane and Hugger-Mugger.

Made in the U.S.A.

CQTWS HANDGUARDS

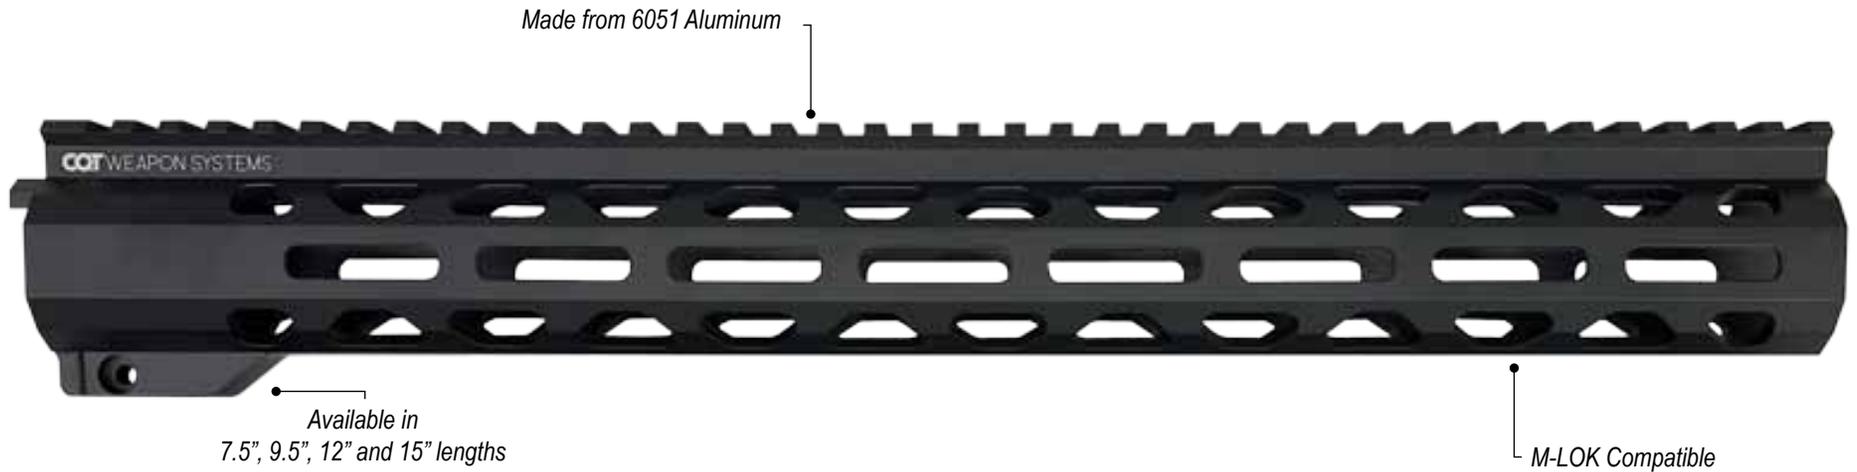

CQTWS HANDGUARDS

Available in the following lengths:
15", 12", 9.5" & 7.5"

- Made in U.S.A.

CQ TWS BARRELS

CQ TWS BARRELS

The heart of all CQ TWS Weapons are their barrels. Each CQ TWS Barrel is 100% machined in house in our barrel cell. Precision drilled, reamed and rifled then onto the CNC's for profiling. Once these steps are complete each barrel is precision manually chambered to ensure the most precise barrel available.

Available In: 4140, 4150 & 416 Stainless

CQTWS - OPTIC RISER

The CQTWS Optic Riser provides the operator with a quick and easy sight picture in all types of environments. The taller centerline height makes it easier to acquire your sight picture, especially while wearing tactical gear, helmets, plate carriers and other tactical gear. This taller height reduces neck strain and promotes a more efficient shooting posture.

OPTIC RISER

CQT WEAPON SYSTEMS optics risers utilize the latest engineering technology and materials to produce a high performance Optic mount. CQT weapon systems Optic Risers are machined out of 6160 & CERAKOTE Coated. All hardware is 4140 and nitrided for durability against all types of conditions.

Specifications:

Optic Riser Height - 2.26"

Material - Riser 6061, Hardware 4140

100% MANUFACTURED AND DESIGNED IN THE U.S.A.

COTWS OPTIC RISER

CQTWS - ACCESSORIES & TOOLS

ARMORERS WRENCH

CQT Weapon Systems Armorers wrench is made in the U.S.A. Using solid tool steel and Cerakoted for durability. Fits standard size flash hidlers and engages both stock and pin-style barrel nuts. Also has 1/4" and 3/8" Hex Drives and 1/2" Torque Drive. Available in Black.

CQTWS - TACTICAL PEN

The CQT Tactical Pen is a highly engineered writing instrument. But once the fight starts, it's an extreme force multiplier to enable success. Designed by Close Quarters Tactical, LLC Instructor Cadre.

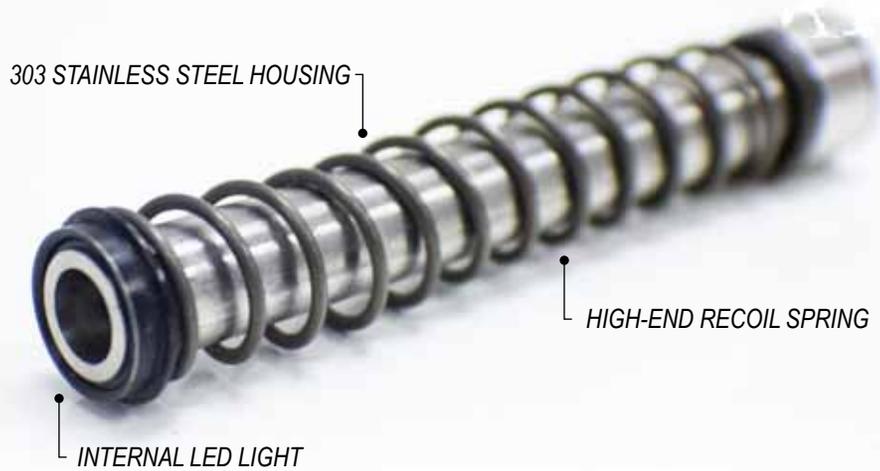

SPECIFICATIONS:

Overall Length: 5.6875" (144.46 mm)
 Handle: 6061 Aluminum
 Style: Accessory
 Pen Diameter: 0.5" (12.7 mm)
 Pen Handle: 6061 Aluminum
 Pen Refill: Standard refill cartridge

DEADPOINT

Coming Soon

The Deadpoint weapon light replaces your factory guide rod with an internal weapon light & guide rod assembly.

This essential add-on is perfect for every EDC, personal defense, and tactical purpose. It allows you the opportunity to add a flash-light to your favorite pistol with out having to go purchase yet another holster. DeadPoint also keeps your handgun compact and very well balanced.

Installation takes minutes.....
No gunsmithing required!

- 303 STAINLESS STEEL GUIDE ROD
- INTERNAL LED LIGHT
- HIGH END RECOIL SPRING
- EXTENDED TAKE DOWN LEVER
- AMBIDEXTROUS ON/OFF CONTROL
- MADE IN THE U.S.A.
