CQT WEAPON SYSTEMS BARREL SOLUTIONS

The heart of all CQTWS Weapons are their barrels. Each CQTWS Barrel is 100% machined in house in our barrel cell. Precision drilled, reamed and rifled then onto the CNC's for profiling. Once these steps are complete each barrel is precision manually chambered to ensure the most precise barrel available.

Available In: 4140, 4150 & 416 Stainless

*Fluting is not available in all lengths
